COOKING INSTRUCTIONS

- Inner temperature should be (74°C | 165°F)
- Cook from frozen

BBQ/Pan-Fry/Hot Plate:

1. Remove burgers from packaging.
2. Place burgers on preheated lightly oiled fry pan/hot plate/BBQ on medium-high heat.
3. Cook for approx. 12 minutes, turning frequently or cook until desired colour is achieved.
4. Remove from fry pan/hot plate/BBQ and serve.

Please Note: This is a guide only as appliance temperatures can vary. You may need to adjust cooking times accordingly. Product must be fully cooked prior to consumption.

BETTER FOR YOU

A healthy diet is about balance and eating a wide variety of foods to satisfy your taste buds. Our foods are about choice and providing an alternative source of protein, one that's nutritious and wholesome and packed with all sorts of good stuff. Better for the planet, better for you, and your family.

Big On Taste

A plant based diet should be delicious as well as healthy. That's why each of our meals have been carefully developed to maximize texture, crunch, sizzle and juiciness. Plant protein that looks and tastes exactly like what you're used to. There's no sacrifice when it comes to flavour – it will be love at first bite for the whole family.
