Sensory Attribute	Description of Requirement
Colour:	Golden breadcrumb coating. Uniform off white plant based centre.
Appearance:	Round shaped, golden brown crumb with no gaps and voids in crumb coating. Off white/beige meat free centre.
Aroma:	Savoury fried aroma. No off rancid aromas.
Flavour:	Savoury with a savoury fried flavour. No off/rancid flavour.
Texture:	Crisp coating with a tender and succulent meat free portion, slightly firm. Shall not be overly dry, tough, too mushy or soft.

## COOKING INSTRUCTIONS

- Inner temperature should be (74°C | 165°F)
- Cook from frozen

### Oven:

1. Line an oven tray with parchment paper and place into oven.
2. Preheat oven to 200°C / 400°F.
3. Remove crispy burgers from packaging and place onto preheated lined baking tray.
4. Place tray in oven and cook for 15-20 minutes, turn halfway through and cook until burgers are golden brown.
5. Remove from oven and serve.

### Air-Fry:

1. Pre-heat air fryer to 200°C / 400°F.
2. Remove crispy burgers from packaging and place in the air fryer basket. Spread out into a single layer. No oil is required.
3. Cook for 10-12 minutes or until golden brown.
4. Remove from air fryer and serve.

Please Note: This is a guide only as appliance temperatures can vary. You may need to adjust cooking times accordingly. Product must be fully cooked prior to consumption.

## BETTER FOR YOU

A healthy diet is about balance and eating a wide variety of foods to satisfy your taste buds. Our foods are about choice and providing an alternative source of protein, one that's nutritious and wholesome and packed with all sorts of good stuff. Better for the planet, better for you and your family.

### Big On Taste

A plant based diet should be delicious as well as healthy. That's why each of our meals has been carefully developed to maximise texture, crunch, sizzle and juiciness. Plant protein that looks and tastes exactly like what you're used to. There's no sacrifice when it comes to flavour – it will be love at first bite for the whole family.
